MEMORANDUM FOR RECORD

SUBJECT: Addendum to Policy and Procedures for Implementing Consequences for Cadets FOUND on Honor

1. Purpose: This memorandum updates my Memorandum for Record dated 28 September 2018 titled "Policy and Procedures for Implementing Consequences for Cadets FOUND on Honor," as well as all guidelines and policies pertaining to Honor sanctions, including USCC PAM 15-1, dated 1 October 2018.
2. Basis. The current policy of denying representation to cadets FOUND on honor has resulted in an inequitable application of consequences and developmental opportunities for select groups of cadets. As a result, effective immediately, the policies that direct loss or limitation of representation of the United States Military Academy are suspended until completion of the review directed in paragraph 4 of this addendum.
4. I direct the Superintendent's Honor Review Committee to analyze the purpose, practice, and utility of limiting or denying representation, as part of a larger bottom-up review of the Honor System that I previously directed.
5. Implementation: This change is effective immediately. A copy of this memorandum will be provided to the offices of the Commandant, Dean, ODIA, and the Brigade Tactical Department to ensure widest dissemination.
6. The point of contact for this memorandum is the USMA Chief of Staff, COL Mark Weathers at (845) 527-1860 or christopher.weathers@westpoint.edu.
